WL 170829 MAGNETIC BASE ROTATING BEACON

The “Astral” economy rotating beacon range is more than acceptable for intermittent use by small contractors and farmers.

- Dual voltage motor
- Requires 12 or 24V H1 Halogen Globe
- With magnetic base and suction cup
- With curly cord and cigarette lighter plug
- Made in Europe
- Reliable belt driven motor.
- Replacement lens: 170945 [Amber]
- Acrylic Dome lens

WL 170830 FLANGE BASE ROTATING BEACON

The “Astral” economy rotating beacon range is more than acceptable for intermittent use by small contractors and farmers.

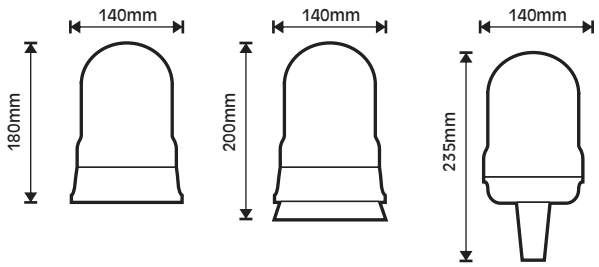
- Dual voltage motor
- Requires 12 or 24V H1 Halogen Globe
- 3 Screw flange mount base.
- Made in Europe
- Reliable belt driven motor.
- Replacement lens: 170945 [Amber]
- Acrylic Dome lens

Also WL 170830-12 Dedicated 12V
Also WL 170830-24 Dedicated 24V

WL 170831 PIPE MOUNT BASE ROTATING BEACON

The “Astral” economy rotating beacon range is more than acceptable for intermittent use by small contractors and farmers.

- Dual voltage motor
- Requires 12 or 24V H1 Halogen Globe
- Pipe mount fitting [fittings shown on page 102]
- Made in Europe
- Reliable belt driven motor.
- Replacement lens: 170945 [Amber]
- Acrylic Dome lens



WL 180829 MAGNETIC BASE STROBE BEACON

The “Xenox” range of xenon strobe beacons beat all traditional rotating beacons with their outstanding features.

- Reliable electronic circuit board
- Long life discharge lamp
- Greater intensity of brightness
- No moving parts
- Low current draw
- Polycarbonate Dome lens
- Dual voltage
- Magnetic base mount with curly cord & plug

WL 180830 FLANGE BASE STROBE BEACON

The “Xenox” range of xenon strobe beacons beat all traditional rotating beacons with their outstanding features.

- Reliable electronic circuit board
- Long life discharge lamp
- Greater intensity of brightness
- No moving parts
- Low current draw
- Polycarbonate Dome lens
- Dual voltage
- 3 bolt flange mount base

WL 180831 PIPE MOUNT BASE STROBE BEACON

The “Xenox” range of xenon strobe beacons beat all traditional rotating beacons with their outstanding features.

- Reliable electronic circuit board
- Long life discharge lamp
- Greater intensity of brightness
- No moving parts
- Low current draw
- Polycarbonate Dome lens
- Dual voltage
- Pipe mount fitting

WL 190829 MAGNETIC BASE ROTATING BEACON

The “Mirco” flexible rubber base rotating beacon is unmistakably the beacon of your choice for areas exposed to the harsh commercial environment.

- Dual voltage motor
- Requires 12 or 24V H1 Halogen Globe
- Flexible supple rubber base to handle knocks
- Reliable belt driven motor.
- Polycarbonate Dome lens
- Made in Europe
- Magnetic base mount with curly cord and plug

WL 190830 FLANGE BASE ROTATING BEACON

The “Mirco” flexible rubber base rotating beacon is unmistakably the beacon of your choice for areas exposed to the harsh commercial environment.

- Dual voltage motor
- Requires 12 or 24V H1 Halogen Globe
- Flexible supple rubber base to handle knocks

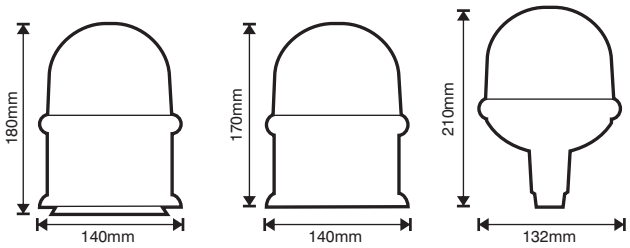
- 3 bolt flange mount base

WL 190831 PIPE MOUNT BASE ROTATING BEACON

The “Mirco” flexible rubber base rotating beacon is unmistakably the beacon of your choice for areas exposed to the harsh commercial environment.

- Dual voltage motor
- Requires 12 or 24V H1 Halogen Globe
- Flexible supple rubber base to handle knocks
- Reliable belt driven motor.
- Polycarbonate Dome lens
- Made in Europe
- Pipe mount fitting



WL 950000 MAGNETIC BASE LED MINI BEACON

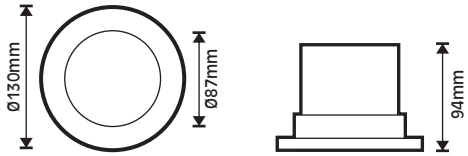
The “De-Fend” range of emergency lamps offer a reliable range of mini size LED beacons for the professional materials handling market.

- 10-30V LEDs
- Magnetic base mount with curly cord & plug
- Low current draw suited to continuous operation
- No moving parts
- Amber lens
- DOT / SAE Approved

WL 950100 FLANGE BASE LED MINI BEACON

The “De-Fend” range of emergency lamps offer a reliable range of mini size LED beacons for the professional materials handling market.

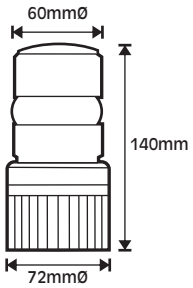
- 10-30V LEDs
- 3 Bolt, flange base mount
- Low current draw suited to continuous operation
- No moving parts
- Amber lens
- DOT / SAE Approved



WL 85336A SINGLE FLASH STROBE

Economical single flash strobe lamp, best suited for the materials handling market.

- 12-80V
- Magnetic and 2.5m spiral lead = WL 85337A



WL 85338A SINGLE FLASH STROBE

Economical single flash strobe lamp, best suited for the materials handling market.

- 12-80V
- Magnetic and 2.5m spiral lead = WL 85339A

WL 950200 MAGNETIC BASE LED MINI LIGHT BAR

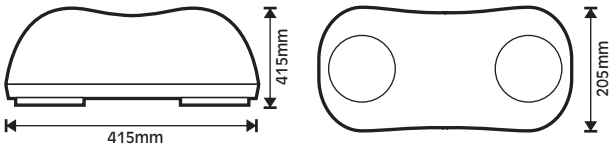
The “De-Fend” range of emergency lamps offer a reliable range of mini LED light bars for the professional contractors market

- 10-30V Alternating quadstrobe LEDs
- Magnetic base mount with a length of cable and plug.
- Low current draw suited to continuous operation.
- No moving parts.
- Amber lens.
- DOT / SAE Approved.

WL 950300 FLANGE BASE LED MINI LIGHT BAR

The “De-Fend” range of emergency lamps offer a reliable range of mini LED light bars for the professional contractors market

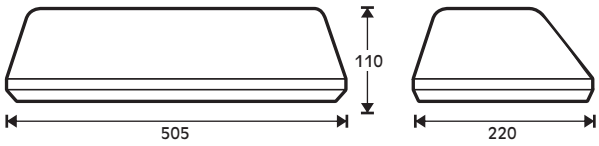
- 10-30V Alternating quadstrobe LEDs
- Permanent mount base
- Low current draw suited to continuous operation.
- No moving parts.
- Amber lens.
- DOT / SAE Approved.



WL 85050A 12V MINI BAR ROTATOR

High quality 2 rotator light bar, aerodynamically designed with virtually unbreakable polycarbonate lens

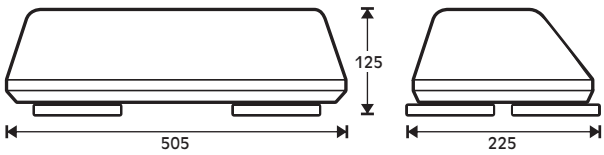
- 24V option = WL 85050A 24V



WL 85051A 12V MINI BAR ROTATOR

High quality 2 rotator light bar, aerodynamically designed with virtually unbreakable polycarbonate lens

- Includes 4 large magnets and a 3 meter straight lead with cigarette plug
- 24V option = WL 85051A 24V



PIPE MOUNT BEACON FIXTURES AND ADAPTORS

WL 170292

A weld on type pipe mount beacon socket.

WL 170387

A pipe mount beacon socket which mounts through a 22mm diameter

WL 170788

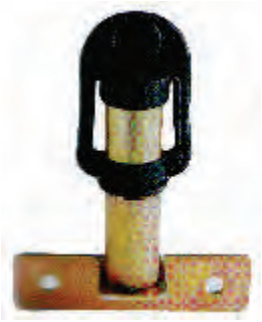
A pipe mount beacon socket with central 2 hole horizontal bracket

WL 170790

A pipe mount beacon socket with a right angle bracket to mount to a vertical surface

WL 170537

A pipe mount beacon socket with a 2 hole bracket.



WL 180377

Dual pin socket for rotating beacons or many power socket applications

WL 180379

Plug for cigarette lighter socket to suit many types of accessories.

WL 170942K

A magnet with centre hole for mounting to an object

WL 180378

2 core curly cord with a cigarette lighter plug fitting
